4GEON
Four Continents Connected through Playful Geoeducation

Dear colleagues,

We would like to invite you to the fifth meeting of the 4GEON project. At the planned meeting, we will discuss the objectives and outcomes of the project. We will discuss the project activities and the Bohol Island UNESCO Global Geopark (BIUGGp) will introduce its activities, sites, geoschools and 4GEON Clubs. The BIUGGp team will be available during the meeting.

Organizing Committee of the meeting:

- Jovencia B. Ganub
- Karl Michael B. Din
- Martina Pásková
- Luboš Gardoň Sr.

Venue, accommodation and transport

The fifth meeting of the 4GEON project team will take place in the BIUGGp, specifically in the City of Tagbilaran and the Municipalities of Panglao, Dausi, Anda, Baclayon, Alburquerque, Bilar, Carmen, Trinidad, Candijay, Alicia, Duero, Ubay, Talibon, Tubigon, Maribojoc, Corella, and Loon. The meeting is organized as a semi-hybrid, some parts of it will be available online.

4GEON
Four Continents Connected through Playful Geoeducation

Accommodation and board for participants will be provided in the hostels (to be specified) in the City of Tagbilaran, Municipality of Dauis, and Municipality of Anda. Transportation will be provided for all participants for the duration of the meeting.

Important information for participants of the fifth 4GEON meeting

Just one participant from each organization has his/her stay fully covered by the grant (flight tickets, accommodation, meals and transport). The stay of other participants will be covered only partially, according to the final budget of the meeting. According to the IGCP funding policy, only participants from developing countries (Tanzania, Philippines, Peru, and Nicaragua) can be reimbursed for travel and subsistence.

Presentations

All participants will present progress made by their organization (30 minutes).
